Chamber welcomes new businesses

Elk Point Chamber of Commerce welcomed representatives of three of Elk Point's many new businesses to their July 17 meeting.

In Days of Olde, Flower Fantasy and Florence's Country Crafts are among at least seven new businesses who are planning a joint Grand Opening for August 9 and 10. Kelly's Closet, Ace Pizza, ReMax Lakeland Realty and Pioneer Radio Controlled are also part of the group.

The Chamber is cooperating with the businesses in their radio advertising for the event.

Over a dozen businesses which have started since early December last year have received complimentary 1996 Chamber memberships and a special invitation to attend an upcoming meeting.

The Chamber's next meeting is August 7.

CREATIVE WRITING GOLD -- was presented to Sid Holthe by Senator Joyce Fairbairn. At left is Marlene Truhn of Grand Prairie, whose story on Alzheimer's Disease won her a silver medal in Serious Non-Fiction.

Five gold medals for Elk Point at Seniors Games

There's gold in these Elk Point hills. Medals, that is.

Elk Point seniors brought home five gold medals from the Alberta Seniors Games last week in St. Paul, from events ranging from golf to dancing to crafts to creative writing.

This is not the first Seniors Games medal for golfer Pearl Bepalko, who scored a 195 to win the gold in the 70+ Ladies Low Gross. Mrs. Bepalko has competed in the Games a number of times, with good success.

Florence Demchuk and Jeannette Frisby put their love of old-time dancing to good use at the Games, winning the 55+ Ladies Oldtime Dancing with a score of 86 points. The ladies are part of the Toe Tappers dance group, and entertained at the banquet following the Torch Relay in Elk Point.

Marjorie Osinchuk's nimble fingers earned her a gold for a beautiful Wedding Ring pattern quilt in shades of pink with burgundy accents, which won the 55-64 Individual Quilt category of the Visual Arts and Crafts section of the Games.

Sid Holthe entered the very competitive field of Creative Writing. His well-thought-out discourse on retirement planning, entitled "The Importance of Planning Early," won him first place in the Serious Non-Fiction category.

Congratulations to all five winners. You truly put Elk Point on the Seniors Games map!

Whitney Lake Rodeo gets wild and western

Fans of wild west action had lots to enjoy this weekend at Whitney Lake Rodeo, with Les Trach's excellent stock taking on a determined group of top hands from the Lakeland Rodeo Association. The weather cooperated admirably, with showers staying away during both performances.

Bareback Riding honors went to Bob Tizzard of Lac La Biche, whose Sunday ride marked 75 on the famous 'Hot Chocolate.' A pair of 69s were turned in by Brent Kuntz, Heisler, on 'Satin' and Dean Cruikshank, Hanna, on 'Pretty Lady.'

Junior Bull Riding went to a young man who is carrying on his grandfather's rodeo tradition. Jordan Gehring of Grand Centre, who marked a 78 on Sunday to move David Bensmiller of Dewberry, with a 70, down to second place, is the grandson of longtime rodeo

competitor and judge Hilbert Bintz.

Saturday's 73-point ride by Gordie Lambert went unequalled in Sunday's Saddle Bronc competition, although Bob Tizzard came close with a 71, and Dean and David McDonald turned in two 69s.

Novice Horse Riding also went to Saturday's leader, Peter Dyck of Meadow Lake, who marked a 65. Hometown cowboy CJ Best had Sunday's only qualified ride, which put him in a tie for second place.

Bull Riding ended up in a three way tie. Denny Golden's 80 point score on 'Tex' during Saturday's performance was equalled by both Derek Hehr of Fort Saskatchewan, riding 'Oscar' and Jeff Wallace of Sedgewick, on 'Jelly Bean.'

In the timed events, current LRA record holder Darrell Wagner clocked in at 3.7 seconds on Saturday, with none of

Sunday's runs even coming close.

Team Roping was plagued with barrier penalties and one-leg catches, with Randy and Ronald Schmidt of Barrhead winning with a 6.7 score.

The calves were similarly uncooperative. Lance Tulloch won the event with a time of 9.4 seconds, Trevor Helmig coming second with 9.6, both on Saturday.

Barb Branden of Vega turned in the fastest time in the Ladies Barrel Racing, with a 16.452 second run. Shelley Wakefield of Mayerthorpe was a mere 4/1000th second behind, at 16.456.

Crystal Cartier of Vegreville won the Junior Barrels, clocking in at 16.639 seconds during Saturday's performance.

Best Dressed honors went to tiny Lane Hehr, dressed as a bullfighter, and Bobbie Jo Moore.

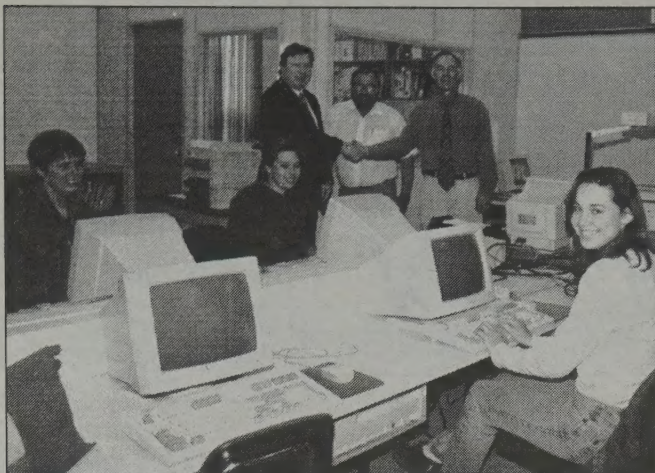

Calf Scramble winners were Brandon Wittmack, Candace Babcock and Jeff Laschowski.

The rodeo ended with a traditional Whitney Lake event: the Wild Ride. And was it wild! Costumes ranging from a Holstein cow suit to a Hell's Angel lookalike, adorned the

eight contestants, who were judged on both attire and riding ability. Travis Reay, fetchingly dressed in red longjohns and brandishing a bottle of moonshine, won the event with 156 points, while Jared Miller, in a slicker and shades, was second for 150 points.

OSCAR WINNER — Derek Hehr took on Trach's wily and wild 'Oscar,' and tied for the winning score of 80 points.

DONATED UPGRADE PUT TO WORK -- F. G. Miller students Kelly Oszust (right), Yvette Laux and Krista Seward joined principal Jim Hawkins and computer instructor Lawrence Pidluzny in thanking PanCanadian representative Ian Huffman for the increased memory and CD ROM equipment.

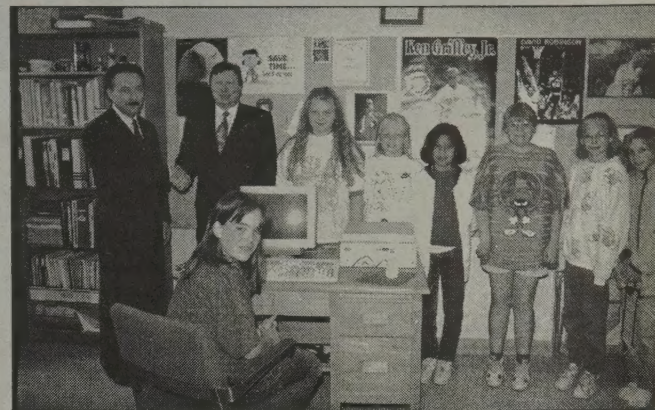

Pan Canadian donations part of 25th anniversary celebration

A Pan Canadian Petroleum Limited is celebrating its 25th anniversary this year. As part of their local celebration in Elk Point, Pan Canadian is contributing used computer hardware to the Elk Point Elementary School and computer improvements to their education partner, F. G. Miller High School.

The improvements included increasing memory from 4 Mb to 8 Mb of RAM on all network terminals, increasing server memory from a 1.2 Gb hard drive to a 4.3 Gb hard drive and adding 4 new CD ROM drives.

Spokesman Ian Huffman says this project "fits well with our community messages toward innovation, technology

and knowledge. We are pleased to include Elk Point and the surrounding area in our anniversary celebration."

GRADE 5 STUDENTS at Elk Point Elementary School tried out the computers donated by Pan Canadian Petroleum shortly before the end of the school year.

Pan Canadian comes through again!!!

By Lawrence Pidluzny

F.G. Miller High School

Earlier this spring, the computers at F.G. Miller Jr./Sr. High School received a much-needed boost in speed, memory and storage capacity from our Business Partner, Pan Canadian Petroleum, on the occasion of their 25th anniversary.

With the advent of internet, CD ROM, desktop publishing, presentation software, and other valuable educational tools, the computers at the high school were rapidly becoming unable to handle the higher demands on memory and hard disk drive space. Pan Canadian has donated nearly \$8,000.00 worth of RAM upgrades from 4 to 8 Mb per workstation, server hard drive space of an

additional 4.2 Gb, and a quad CD ROM tower (4 quad-spin CD ROM disk readers) to the network.

The system will now be able to handle internet over the network, which was impossible before, have access to six CD ROM titles simultaneously, and be able to adequately store and distribute many more application programs and files to the students of F.G. Miller. Similarly, with the expansion

of disk space and RAM, the speed of file access and processing has been significantly increased.

On behalf of myself, the staff, and students of the F.G. Miller Jr./Sr. High School, I wish to express sincere thanks to Pan Canadian for their much needed and appreciated support of educational programs and facilities at our school. We truly look forward to our continuing partnership.

Before you get behind the wheel... Think!

Traffic accidents affect us all.

Think you're a good driver? Think again! Alberta's streets and highways could be a lot safer if we all paid more attention to our driving habits.

Driver error is one of the leading causes of traffic collisions. Safe driving requires our full attention... all the time. Traffic accidents can be prevented. Good drivers can make that happen.

Keep an eye on your speed. Driving too fast increases your chance of collision.

Be courteous to other drivers.

Traffic accidents affect us all.

As you head out this summer, be alert. Whether you're driving around the block or around Alberta, know and obey the rules of the road. Watch what's going on around you, share the road courteously, and be a good driver.

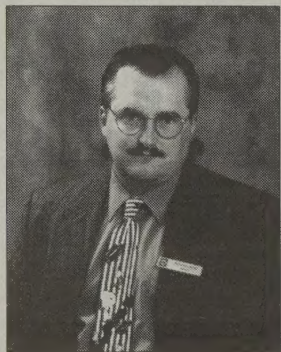

Be a part of traffic safety, and have a great summer.

Think & Drive

SAFETY STARTS WITH YOU.

Our valuable volunteers

By Deanna Easthope

FCSS Director

With all that has happened in our town — I feel I need to talk about our valuable volunteers. During the winter and spring for our young children, there is all the volunteer time put in by coaches and parents so that our young children can be involved in hockey, skating, soccer and ball, etc. Then, there are all the fund-raising activities the parents and others do throughout the year so that these sports still take place. Beyond that, there are special events days where the whole family can participate. One such day was Canada Day. The Elk Point Canada Day Committee coordinated the activities and were the fund-raisers. However, Canada Day wouldn't be the great event that it is, if it wasn't for the many volunteers. Performers volunteer in sharing their talent in the Canada Day afternoon stage performance as well as the Sunday night Gospel Concert. These people are valuable. Behind the scenes are the committee and board members that make sure things take place.

I hope, as citizens of the Town of Elk Point, we all have observed our valuable volunteers at work. Why do they work so hard? There are probably as many reasons as there are volunteers. But, I would like to speculate that a main reason is, that they enjoy and believe in what they are doing. Let's keep it that way for them. We can tell our volunteers — thank you for what you do — appreciate it. Or, we can ask them if they need some help in

what they are doing. As they say — "many hands make light work."

I found a poem about volunteers doing something for somebody.

HOW TO BE HAPPY

*Are you almost disgusted with life, little man?
I'll tell you a wonderful trick
That will bring you contentment, if anything can,
Do something for somebody, quick!*

*Are you awfully tired with play, little girl?
Wearied, discouraged, and sick —
I'll tell you the loveliest game in the world,
Do something for somebody, quick!*

*Though it rains, like the rain of the flood, little man,
And the clouds are forbidding and thick,
You can make the sun shine in your soul, little man,
Do something for somebody, quick!*

*Though the stars are like brass overhead, little girl,
And the walks like a well-heated brick,
And our earthly affairs in a terrible whirl,
Do something for somebody, quick!*

Summer fun at Fort George and Buckingham House

Summer is going strong at Fort George - Buckingham House, with visitors from all over the country coming to see this interpretation of the fur trade days.

The Interpretive Centre is once again offering a day camp program for children between the ages of 5 and 13. Every Tuesday and Thursday during July and August, from 1 to 5 p.m., children can take part in a variety of activities designed for fun and learning. Parents can stay at the site for the afternoon, or leave their children with the site interpreters. An afternoon snack of cookies and juice is part of the program.

Call 724-2611 for more information.

The finishing touches are now being put on a pair of

River Canoe Workshops, which have tentatively been planned for August 3 to 5 and August 30 to September 1. Participants will spend the first day in a lake setting, learning the basics of canoeing, before taking to the river. Canoes and paddles will be supplied for those who do not have their own, but participants need to bring life jackets,

hockey or similar helmets, and a bag lunch each day. A long canoe trip from Fort Victoria to

Fort George and Buckingham House is also in the planning stages. Call the Forts at 724-2611 for more information, and watch for

advertising about these events. Fort George and Buckingham House Interpretive Centre is a great

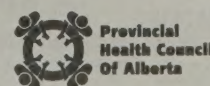

place to bring a family or a group for a tour. The interpreters offer a very informative one to two-hour presentation on the history of the Northwest and Hudson's Bay Companies during the early years of the fur trade in western Canada, in the air-conditioned comfort of a modern interpretive facility, plus a nature walk to view the archaeological remains of the forts, a snack concession, gift shop and ample parking for vehicles of all types.

To learn more about the site and programs, call 724-2611 or 645-6256.

Watch Your MAILBOX for the Health Monitor

Beginning July 22, 1996, the Provincial Health Council will distribute its first "Progress Report" to every home in Alberta. This preliminary report reflects the Council's findings to date, and will help form the basis of a report card on Alberta's health system to be released this fall.

The Provincial Health Council was established to monitor and assess the progress of health reform and to help the Minister of Health make certain that changes being made result in better health services and better health for Albertans.

Zarownys a "formidable force for Scouting"

An Elk Point couple who each received a medal for Good Service to Scouting have been described in the Scouts Canada Northern Alberta Region Citations for 1996 Awards as "a formidable force for Scouting in Elk Point."

Gloria and Tim Zarowny have both been involved in Scouting since 1989. Gloria has served as a Beaver leader, while Tim has served as a Scout leader and Group Committee Chair. Both have served as Group Committee Members, and have completed Group Committee Training and Wood Badge training.

Gloria, who served in 1995 as "Popcorn Coordinator" for the Many Lakes District, has demonstrated very special skills and caring in dealing with Beavers, having developed a top-notch program and shown great skill in recruiting support from the community. The citation notes that Gloria is "a talented and dedicated leader — her enthusiasm is catching."

Tim, who took his Scout Troop to the 1995 Alberta Jamboree, continually demonstrates support for Scouting and gives his very best in developing exciting and challenging programs. In addition, he regularly offers his help with Beavers and Cubs — "whatever needs doing," according to the citation. He spearheaded the Scout Hill building project, and is a meticulous planner and an exceptional role model for youth and adults.

Thanks to Tim and Gloria, Scouting in Elk Point is a vital part of the community.

MEDALS FOR GOOD SERVICE — were presented to Gloria (above) and Tim Zarowny at the Northern Region Ceremony in Edmonton, AB recently.

TIC Talk

Where have all the tourists gone?

By Sherry Pelech
Tourist Information Clerk

And now for some completely dismal statistics: The number of tourists we have had visit us at the TIC, as of July 19, is approximately 66% of our numbers from last year at the same time.

Not only that, but we have had about 15% fewer people from out of province and only about 1/4 of the number of tourists from other countries. Other people who deal with tourists, like those who operate museums, river boats, historic sites and Provincial Parks, tell us the same lamentable story.

We blame the weather. This year it seems like we have had a bit of everything except sunshine pour down on us. It's so bad that even our hot and sunny days are cold and rainy. Rain, snow, sleet, hail, gale force winds, tornado sightings, mist, fog. We've had some of it all, to the point where we wouldn't be surprised by any-

thing the weatherman sent us, including a hail of potato chips or a plague of frogs. (Well, maybe potato chips would surprise us a little.)

Parents of young children who are ready to launch a lynching of the weatherman (Old, sage advice: Don't shoot the messenger!) should know that there are places you can take the kids. The Elk Point Public Library is holding its summer reading program, Camp Readsalot, Tuesdays and Thursdays all summer. They also have a Friday afternoon movie matinee. This Friday, July 26, is the Disney animated movie 101 Dalmatians. For more information call 724-3737.

The Fort George and Buckingham House Interpretive Centre holds a Day Camp for children between the ages of 5 and 13 every Tuesday and Thursday from 1 to 5 p.m. through July and August. The programs are both fun and educational. For

more information call 724-2611.

The Whitney Lakes Provincial Park has entertaining lectures on everything from frogs and weeds to history, planned for Saturday evenings at the Ross Lake group day use area. For more information call 943-3761.

Inclement (good word, that, when we all know other words we would rather use) weather does not stop the intrepid Vince Behr and his sturdy boat "The Birch Hill Queen" from their Sunday tour on the North Saskatchewan River. For more information call 724-2037.

The Pioneer Museum is unequalled anywhere for its eclectic variety of antiques and memorabilia. Call 724-3654 and arrange a personal tour of this exciting collection with owner Steve Andrishak.

The next time you say "It's raining and there's nothing to do," stop by the Tourist Information Centre (TIC) and we'll argue with you about it.

What's news at the library?

We have lots of great new adult titles, too!

By Michele Duczek

Librarian

CAMP READSALOT goes on the road in the coming weeks with trips to Fort George / Buckingham House and Whitney Lake on the schedule. There is still time to register your child for our program.

I've had a lot of positive comments about my camping display at the library. Come on down and see what all the fuss is about.

Lest adults think the only new books in the library are for kids, here are a few new adult titles:

The president of the United States learns the possible whereabouts of millions of dol-

lars worth of sunken treasure and the threat that the gold may be used to finance an Irish civil war. The British assign the task of preventing this to Sean Dillon, former IRA enforcer, in **Drink with the Devil** by Jack Higgins.

Jeffrey Archer creates two extraordinary protagonists and pits them against each other as each strives to be the first to create a global media empire and become the most powerful man on earth in **The Fourth Estate**.

Dr. Abbey Dolan's new job in the emergency room in the

small town of Patience takes a sinister turn when a series of undiagnosable patients start showing up in **Critical Judgement** by Michael Palmer.

Two women struggle to keep things together when their personal lives threaten to tear them apart in **Promises** by Belva Plain.

The cardinals of the Catholic Church have gathered in Rome to elect a new pope and Blackie Ryan is caught up in the intrigue and political maneuvering in **White Smoke** by Andrew Greely.

Kay Scarpetta starts the new year off with a bang when a reporter acquaintance is found dead in a Virginia river. When

another murder hits closer to home, Kay and her niece Lucy find themselves threatened by a mysterious and deadly organization in **Cause of Death**, the latest by Patricia Cornwell. (I cheated and took this one home over the weekend before I put it on the shelf. I couldn't put it down.)

LIBRARY CALENDAR:
Tuesday and Thursday afternoons in July and August — Camp Readsallot Summer Reading Program from 1:30 to about 3:00

Friday afternoons at 1:30 — Friday Afternoon Matinee
July 26 - 101 Damatians
August 2 - Willow

On the Ball

By Doug Bassett

A successful season came to an end for the Elk Point Midget White Sox after losing out in provincial round robin play.

Playing against Legal and Westlock on the July 1st weekend, the only hot days of this summer, the White Sox had a close game against Westlock that saw the teams tied 2-2 into the 5th inning with hot pitchers Tyson Ballas and Denny Hudy at the mound. Westlock rallied late in the game to win. The next day, the team from Legal took advantage of the White Sox errors, and easily defeated the boys.

The next weekend saw the boys travel to Strome where they found themselves down by 6 runs before they started a rally in the fifth inning, picking up five runs with the help of Jordan "Jay Buhner" Bassett who hit his first of two homers for the day, making it close, but not close enough.

Legion branch plans golf tourney

The Elk Point branch of the Royal Canadian Legion is busy planning their first-ever golf tournament, with the date set for July 27 at the Elk Point Golf and Country Club.

The 18-hole tournament is not just for Legion members, but for anyone who had a relative in the armed forces, co-organizer Jean Russell says. "We hope to have a good turnout, and make this an annual event."

The day starts with registration before 9 a.m., and ends with a steak barbecue and presentation of novelty prizes at 5 p.m. A limited number of rental carts are available at the course.

For further information, call Evelyn Babcock at 724-4247 or Jean Russell at 724-4062.

White Sox premiere season is over

Then in the second game of the double header, the White Sox played the big team from Kikino. The game was 2-1 in favor of Kikino, and "Big Unit" Jordie Petersen was really starting to throw some heat, when there was a two-hour rain delay. After the infield had dried out, the big sidearmer had trouble finding the strike zone and the team from Kikino went on to win.

Although the boys didn't advance to the regional final, they did well for the first year that Elk Point has fielded a Midget team.

Elk Point Midget White Sox players are: BJ Tucker, Shaun Moroziuk, Jordan Bassett, Justin Malachowski, Rene deMoissac Jim Yake, Denny Hudy, Tyler Warawa, Tyson Ballas, Jordie Petersen and

Chris Berlinguette,

The team's Coach is Doug Bassett. Assistant Coaches are Dave Yake and Marshall Moroziuk, Manager is Brian Tucker.
